To access agent forms

## Need to make a change to a company?

See [Managing a company](#) for information on accessing and preparing company forms.

1. Select **All clients** and click **Corporate admin** on the top menu bar. The **Client lodgements** page appears.
2. Click **Agent lodgements** on the secondary navigation menu. The **Agent lodgements** page appears.
3. Click **Prepare form** at the top right of the page.
4. Click **Prepare form** next to the form to be prepared.
