# Introduction

## What's New in this Release?

The 2021.02 release updates Exo Payroll for a change to Victoria payroll tax in the 2021–2022 financial year.

The purpose of this document is to provide essential information on the installation and use of this release:

- The **Installation** section provides an overview of the installation process, including pre-installation requirements and post-installation steps.
- The **New Features** section describes all new features introduced in this release.
- The **Known Issues** section details any issues in this release that have been identified as requiring attention.

**Need assistance?** If you have any questions or you need assistance with installing this update, please contact your MYOB Accredited Business Partner. Alternatively, the answers to most common installation issues can be found on the MYOB Enterprise Knowledgebase at <http://myobexo.custhelp.com/>.

# Installation

## Pre-Install Requirements

Requirements for PCs running Exo Employer Services components are detailed in the Minimum System Requirements document, available on the [MYOB website](#).

## Installing Exo Employer Services

Information on installing and upgrading MYOB Exo Employer Services is maintained on the MYOB Enterprise Knowledgebase. See the following articles:

- [Upgrading MYOB Exo Employer Services Online](#)
- [Upgrading MYOB Exo Employer Services Manually \(Australia\)](#)
- [How do I run Network.exe?](#)

**Note:** Check the Known Issues section on page 4 for any known installation issues.

## Check the Release

After the installation is complete, the version numbers of all MYOB Exo Employer Services applications should be as follows:

Application	Version
MYOB Exo Employer Services	2021.02
MYOB Exo Payroll	2021.02
MYOB Exo Employee Information	2021.02
MYOB Exo Time and Attendance	2021.02
Runtime Files	09.00.0000.7423

To check that this release installed successfully, check that the versions displayed on the About window (**Help menu > About**) match the versions listed here.

# New Features

## Victoria State Payroll Tax

This release updates Victoria payroll tax for the 2021–2022 financial year:

- The annual wage threshold for Victoria increases from **\$650,000** to **\$700,000**.
- The payroll tax rate remains at **4.85%**.

**Note:** For businesses where 85% of the payroll comprises employees working in regional areas, the tax rate remains at **1.2125%**. For any other special payroll tax rates and thresholds, e.g. for bushfire affected regions, see the Victoria Payroll Tax web page: <https://www.sro.vic.gov.au/payroll-tax>

If any of these special rates apply to your company, you can override the payroll tax rate on the Company Setup > Employer Details section of the Setup Payroll window.

# Known Issues

The following Known Issues have been identified in this release.

## Error 2066 in a networked environment

The FoxPro error: “2066/Index file [filename].CDX is corrupt. Please rebuild it” can occur persistently on network systems that have a Server 2008 operating system with workstations running Windows Vista, Windows 7 or 2008 Terminal Server; or peer-to-peer networks where the server/workstation is running a Windows Vista or Windows 7 operating system, and one or more other workstations are also using a Windows Vista or Windows 7 operating system.

For information on this issue and suggested workarounds, see the following articles on the MYOB Enterprise Knowledgebase:

- [What to do when getting an Error 2066 message](#)
- [Consistent error 2066 in a networked environment](#)
